

To whom it may concern,  
As a private citizen, I, not the government, should have the right  
to decide if and when I am to be contacted by telemarketers.

I urge you to reconsider any action to overturn NJ's DO NOT CALL  
law. I understand that soon telemarketers will be able to flood  
my cell phone with calls as well. Will the FCC pay for my lost  
call minutes? I think not !!!!!!!!!!!!!!!

Please allow each state to decide if they want to follow the  
Federal DO NOT CALL law or pass their own.

Thank you.
